I worked with Gus. He was the nicest person I had ever met. I remember a time when me and another co-worker left work to go home and Gus was working late that day and on our way home we ran out of gas on the interstate so we called ole Gus to see if he had a gas can. Sure enough he did and was more then happy to help. We're sitting in the car waiting for about 30 mins and a police officer pulled up behind us and gets out so we tell him we are waiting on Gus our buddy to help us out with the gas.About 4 minutes after he pulled up so did Gus. (I didn't have inspection sticker at the time) And when Gus pulled up the cop pulled off. So boom Gus saves the day with a can full of gas and an avoided ticket haha. I'm going to miss Gus. He always asked how my daughter and girlfriend were doing and really seemed to care. I'm glad God put somebody like Gus into my life.

Mr.Gus, you truly will be missed. I'm so glad that you & my Dad were friends & that I met you! You were such a good friend to him! We all think the world of you! I appreciate you being there for my Father more than words can explain. You were the only friend that came & stayed with him when he had the stroke...that meant so much to him & me as well. You kept him positive & optimistic...& kept him company. You were an example of what a true friend is. My Dad would've done the same for you! I'm glad that God brought you into our lives many years ago. It was a blessing. We will miss you so much. You will never be forgotten!

Gus was my Uncle and I loved him so very much. He never had a mean thing to say about anyone. He always called me about every few months and asked how the family is doing. I was always a little worried about him being by him self in Baton Rouge LA. But he was doing so good for himself. He had so many special friends, and co-workers . I'am gonna miss him so much. I'am so glad my family and i made it in time to say our good byes. Even though that is never easy at least we got to tell him how much we love him and going to miss him. May you rest in peace now and enjoy all the family in heaven.
