

Theo Dedeux Williams

May 23, 2018 - May 23, 2018

On May 22, 2018, at 11:05 p.m. Theo Williams, 17 weeks old, was delivered by Lessie Marie Dedeaux, the mother, to Michael J. Williams, the father, at Baton General Hospital, with a silent heartbeat, unexpectedly. Theo Williams leaves behind an older brother Wade Cohen Williams who would have loved him and guided him long after their parents passing. Theo also leaves behind 5 other siblings from previous marriages of Lessie and Michael. Lessie's 10-year-old son Christian and 8-year-old daughter Elizabeth and Michael's 10-year-old son Calum, 6-year-old son Syler, and 5-year-old daughter Aubrielle. Michael and Lessie would have raised and loved Theo at their home off Arnold Road in Denham Springs where they reside now with their youngest son Wade. A cremation is scheduled on Tuesday, May 29, 2018, through McLin & Manely Funeral Home and Cremation Services at 29419 Walker South Rd. Walker, LA 70785. Jeremy McLin will officiate the services and transfer the ashes into a keepsake, so Lessie and Michael can bring Theo home to safeguard his spirit and to imagine the life he might have lived. We would like to include a sincere appreciation for Jeremy McLin for his professionalism, understanding, and his pure intentions throughout this process; as well as expressing our thanks to Michael's co-workers at Adell Compounding Inc. Lessie requests that special thanks be given to her mother back home in Poplarville, Ms who blessed us both with donations in order to bring Theo home. Donations and/or condolences may be sent to 11332 Arnold Rd Denham Springs, LA 70726.
