“ *I remember a man of God who had a big heart and would do without for others to have. My husband was in his band "Sonlight band" years ago, and he speaks of how selfless He was. Even tho you haven't spoken in years, when you ran into him its like you've been talking for days. He will be missed, but he's where we all looking forward too. In the Presence of the King!*

“ “You can never do too much for your own family” Thanks Uncle Bennie... I will always miss you...I am so proud to call you family. He spoke freely of a love for the Lord when all of that seems to have gone out of style, worked all his life and gave all he could. I wish I could hear him play one more time.
