“ I knew Bill for many years. He had many wonderful qualities...honesty, integrity and a great love for his country.He also cared very much for the veterans who, like him, cared about keeping us safe. Then he loved the motorcycle riding with Charlene. And, of course, he loved playing Santa...bringing smiles and happiness to the little ones along with Mrs. Claus (Charlene). Rest in peace, Bill. You will be missed by all who knew you.

“ My prayers for the family are going up and out frequently. Bill was among the first of the members of the Christian Motorcyclist Association to befriend me. Must have been 1999 or 2000. A very special man and a loyal friend. RIP, my brother!

“ *Bill was a dear friend with a sweet spirit!!  
Enjoyed being with Bill and Charlene in the Motorcycle Ministry.  
We have lots of great memories with them both.  
He will be greatly missed here on earth, but we know he is rejoicing  
now in Heaven with his Lord and Savior, Jesus Christ.*

“ I am deeply saddened at the passing of Mr. Bill also known as the best dang Santa Clause EVER! Mr. Bill always had the biggest smile and a warm hug for me no matter where or when. I was truly in awe of him. He will truly be missed by many

“ We loved Mr. Bill so much and have so many fond memories of him, but we'll never forget how those long legs of his came in handy one day. I'm sure Miss Muffin was sure no one could catch her that day when she escaped from the house, but she was so very wrong. Mr. Bill took off, ran her down and brought her safely back home. :-)
