“ *It has been almost 2 years since this piece of trash human being was shot and killed by the police that he shot at first and tried to kill in a traffic stop. So happy to know he is in the ground dead. I even visited the gravesite and urinated on the grave. He deserves to rot in eternal hell and that is exactly where he is.*

I pray for you whoever wrote this. May God forgive you and may you ask for forgiveness. I came across this by accident and I can't believe that you would write something so horrible. This is someone's child, brother, father, people loved him very much. It's not your place to judge and to condemn someone to hell. I pray for you and your salvation
