“ I knew Brandon through school and through my older Brother. Brandon was always the life of the party and always went out of his way to make people smile. In fact, when my brother wanted to marry his husband, Brandon volunteered to "act" as their minister, and showed up to the wedding in a priest costume he purchased at the Halloween Store. He was an amazing character and overall wonderful person. he will be missed greatly.

“ *Brandon is my nephew and I have 24 years of memories. He was the most beautiful baby that I had ever seen. Once he learned to smile he never stopped. I can't remember once where he wasn't smiling. He had the most beautiful smile I've ever seen. He loved to come to my house and watch True Blood. Every time he came we would always eat a lot of junk food, watched movies and make each other laugh. I'll never get that beautiful smile out of my head. RIP my angel!!*

“ *We will remember Brandon as a handsome young man with a heart. Had heard about him through our granddaughters and finally got to meet him at Keelyn our granddaughter's wedding. Brandon was one of the really good guys. Our thoughts and prayers are with all who loved him.*
