*Brandy ,
Over the years we've built a friendship,
I will always
remember the fun,laughter,
tears,anger,
fears,fights,makeups,even the corny little things we did. Its almost like
a dream,
knowing we will never let you go,is the fear,we all must face. You'll be
remembered
always.
Love Always,
Your Friend,
Tonya Lynne*

“ I am totally heartbroken to hear of your passing Brandy. We have shared many special memories that I will forever hold dear in my heart! You were definitely one of a kind. We have shared laughter, tears and everything in between. You were one of those people that I could talk about anything and everything with and, no matter what, you never judged me no matter the circumstances. I will always be forever grateful to have you in my life!. I hope that I was at least half as special to you as you were to me! You will always hold a special place in my heart! Thanks for always showing me what real friendship was all about! Rest Easy," Sis"
