“ Cameron I have many memories with you I just want to stop and tell you that I love you and miss you like crazy. How I wish you were here to laugh and talk with me like we used to. We had a lot of fun times. Some of the times we had we could have done without but it's too late to turn back now only if God would give me my time back I would give up so much to have you here. I know your brother would too. Oh yea you have the cutest little niece and her name is Oakley. She has so money of yall features.
