“ *She was not my Mother
She was smart, hardworking, loving and kind.
Fun, joking and by my side on the way to have my first child.
She held my hand and talked to me. She kept me going at the beginning of a whole new world for me.
She was always kind to me even when I wasn't born into her family.
She made me a part of her circle*

*She was my Mother in law
Carrie May Sibley
Inspiring woman
She will be missed*

Love you always ❤️
