“*“Sonny” and I were neighbors until high school graduation, spent much time with him and his family in Plantation Acres. His parents always made room for the boys to get together and play their music!! My sister and his sister Pat were also good friends. Sonny's Falcon and Jimmy Koonce's dodge were our transportation in those days. The Herrings had a pomegranate bush in the back yard and everyone would pick them..the field behind our houses was full of rabbits and we hunted all the time until they built the jr high and the sheriff ran us off. I went regularly to Pineville with Sonny to the Dr for his “adjustments”. Really sorry I couldn't make the service. Sincerely hope he passed peacefully... I really do have some beautiful memories of our youth together 🙏❤️. Reggie Howell 2259338911*
