“ Charles was my cousin. He was 9 years older than me, but he always took care of me. Charles had a speech problem, but I could always understand him.

We had big Sunday dinners at our grandparents. If all the kids went for a walk he never left me out. Carried me around on his shoulders. Got me thru briar patches and sandspurs. He kept granddaddys mean goose away from me, pulled me for hours in the wagon. I loved him. He was my hero!

Praying for comfort for all of our family.

Much Love,
Mary Kay
