“ Well. This is the day I have dreaded my entire 28 years of life. You were the world’s best Poppop, the best husband and father. You always have the best advice and always spoke truth. You loved with your whole heart and was always “Poppop to the rescue!” No matter where you are or where I am, I promise I will always pray and I promise I will always split my blueberry muffins in half. I love you Poppop! ❤️ ☐

*“Daddy I will never forget the way you loved us all, stood by my side, but especially the way you fought so hard. You always found the good evening in the worst situations. It's going to be so hard not having you around to tell me how proud of me you are. I don't know what I'm going to do without you. I love you so much*
