Cody had such an amazing spirit about him. He truly brought joy to my heart and his visits, stay overs and the sound of his laugh always made me smile. I will forever cherish the late night talks between me, Cody, Chad & Emily! I am honestly at a loss here :(Cody made the world a better place to be. He will remain in live within my soul for as long as live. One could not meet Cody and forget him that is for sure. I will try to find some peace in knowing that your journey continues and I will find you when I get there. Bank on it! i love you and miss you
