“ Samantha & Jim, I am so so sorry for the loss of your sweet Mama  
and wife. I remember your mom and I were pregnant (with  
Samantha) at the same time. We even wore the same maternity  
dress to my baby shower. Gone to soon - she's in heaven now  
watching over your precious family - we will all miss her dearly. May  
God give your peace and comfort during this difficult time.

“ Cynthia I remember all the dinners we had at A Dang, we loved that place. We had such good times together. I know we grew apart because of the move but I never forgot you and always had such a good time catching up when we would come to LA. You were always so sweet to me and I will miss you. I know you are no longer suffering and can breathe now. I love you!
