“ Dan was a wonderful cook. He had said that it had to take at least three hours to prepare the meal to make it worth it.

“ It seems like Dan has been a part of most of my life! So many memories of him in Janesville. I remember when he got his Water Spaniel that ate most of his back deck that he worked so hard to make wrap around the back tree. He was the best cook; he could make something out of nothing but as I recall hated leftovers! They had Sarah over so many times its not surprising that Katie & Sarah are more like sisters than cousins.

Please know that all of us in our family loved Dan and send you our love and prayers.

He was a wonderful man and will live on in all our memories.
