

Darlene Ann Pearson

December 9, 1959 - December 9, 2023

Darlene Ann Pearson, 63, passed away on December 7, 2023, at 11:55 AM from pancreatic/liver cancer in Denham Springs, Louisiana. Darlene became everyone's "Aunt Dar" to all the littles that met her, and she took them on wonderful adventures to named up places. These special times, along with her laughter will forever be remembered. Some of the doctors that she worked with at EKL ended up caring for her during her illness. She was a strong advocate for childhood cancer awareness, specifically DIPG which Caleb passed away from (forever 5, #Calebismyhero), and in her words. "IF CANCER IS THIS HARD ON AN ADULT, IMAGINE WHAT IT DOES TO A CHILD." Darlene is survived by her brother, Robert (wife Nancy) Pearson of Denham Springs; sisters, Diane Pearson of Olathe, Kansas and Deanna P. Scherer (husband Andy) of DS/Prairieville; and numerous nieces and nephews whom she adored. Darlene is preceded in death by her parents, John Pearson and Deanna P. Caron; and her nephew, Caleb. Darlene requested a Celebration of Life be held to remember her in March at Robert's. She requested all her family and friends to attend and enjoy sharing wonderful, heartfelt, funny stories about her that she brought to your life and made you smile. A first heavenly birthday was celebrated for her at Deanna's home at 7 PM on her birthday, Dec. 9th. Arrangements have been entrusted to McLin Funeral Home.
