“ Donna was a great lady, she lived cutting up and took every chance she could to crack jokes she kept me rolling every time I wod pick her up for work. This one time it snowed and my husband brought us both to work, she just laughed and said if he hadn't of came picked me up i wouldn't have went in. She will surely be missed. Donna, Say hi to my honey for me. I'll see ya'll on the other side.
Love you
