“ Although you weren't my blood, you were still my granddaughter. I am excited that you are my first grandchild. The love one has for a grandchild is far more deep and stronger than the love for their child. RuRu you brought so much happiness in my life. I love and miss you so much. R.I.P my Lil' RuRu, GiGi loves you forever and always!

“ Many of my late nights were spent with Grailynn in my arms. She was the light of my life amidst the dark times the world has found itself in. She always cracked me a gentle smile when I would talk or sing to her. Her life was short lived but will be long remembered. Rest Easy My Toot ❤️👶
