“ To the family of Gus Smith: I was really sad to see Gus's obituary in last week's Advocate. I met Gus 3-4 years ago when I was looking for a new vacuum cleaner. I could not have gone to a better shop nor could I have met a nicer person. Gus was full of information about vacuum cleaners and life in general, and I appreciated his wonderful sense of humor. I can see him pushing those vacuum cleaners around -- trying to show me the subtle differences of the various makes of vacuum cleaners. I never could figure out how to install a new bag on the vacuum cleaner I bought, so I would haul it over to Gus to take a look. He would always laugh and patiently show me (once again) what I needed to do. All of you are so blessed to have had him in your lives. He will always be with you.

“ Gus was always kind, helpful, funny, and generous with his time on every visit that I made to his store over many years and purchases. I am so sorry to hear of his passing. He always spoke so warmly of his family. Sending up prayers for his family.

“ Gus was one of the kindest and most generous business people I have ever met. He made sure he understood the customer's specific cleaning needs before he recommended a product. He was honest and dedicated to customer satisfaction. He kept my vintage 1987 Electrolux machine operable..to this day. I have bought three Miele and one Sebo from him over the years. I am so very sad for his family; he will be missed. He loved you with all his heart. You are in my thoughts and prayers. Irene F. Gardemal-Bourque
