“ Bruiser was my next door neighbor and good friend growing up all through our school years. We played football, basketball, and softball everyday after school. All I have are loving memories of a wonderful person. I enjoyed our time together playing sports he was very athletic. I also remember Gary Petitt was our neighbor also and we all went to Walker schools. We would all get together and play football or basketball after school. I remember Bruiser invited me over to the house for homemade pizza and a football game on TV. I still remember that was the best pizza I have ever eaten in my life. I can still taste that awesome pizza Bruiser made. I wish I could remember exactly how he prepared it. My name is Glenn McGraw I live on the end of the street of Fletcher lane and my thoughts and prayers go out to my childhood friend and his loving family may God bless yall and comfort yall through this troubling time.

“ I have lots of memories of Bruiser as a young child. Oh how he loved ketchup. He even put it in his breakfast dishes like eggs and cereal! Even though I lost touch in recent years I am going to miss him. RIP Bruiser! You were loved!

Yes, he loves to eat ketchup in scrambled eggs, stew, n others that he demanded to have ketchup. I surely do miss him my baby bro very much. I know he's happy to be in beautiful heaven to reunite w the Wascom, the Sanders (my mom's mom's maiden name), n the Middleton (my mom's daddy). He also loves to tease me a lot. Thank God my parents, his children, n I saw him on Sunday after Saints we all chatted w him. It is going to be hard for me n especially Cassie he loved her very much she said Yes, she knew. Pray for us all....
