“ I am so sad that Russell is no longer with all of us. He and I were so close growing up as cousins.. He was so kind and smart and he loved his little sister Kathy and little brother Randy as well as loved and admired his big brother Robbie,,  
He invited me to go with him to his Prom as a guest at St. Eds - we had a great time...  
I missed him when he left to join the Service and go off to fight for our Country in Vietnam..., I wrote to him while he was gone and was so happy when he returned safely.  
However, the War did take a toll on him..  
He loved his wife and children and that is all he talked about., I hope to meet with them this year.,  
I am praying for his family to heal .,  
I loved Russell and I will miss him and never forget him.,
