“ *Uncle Turkey holds a very valuable spot in my heart and life. He taught me many things when I was younger. Every Summer vacation, at Mawmaw and Poppa's house, I remember going hunting. I love you Uncle Turkey. You are gone but forever in our hearts and memories. I will miss your funny stories with Poppa.*

“ Well over 40 years ago I came to know Turkey. When he came to our house he always took time for me. He would always take me for a ride on his bike or just spend a few minutes talking. He never made me feel like an insignificant kid or someone in the way. He made me feel important and always took time for me. It meant more to me than anyone would ever know. Turkey thank you, and I know you are at peace now. Give my brother's my love and tell them I miss them.
