“ I worked with Ms. Jeanette at The Bone and Joint Clinic. She was a strong and genuine lady. She could always make me laugh. I miss seeing her in the hallways at work and her calling me "little bit" She was definitely one of a kind and will be missed by many. May she rest in peace. Prayers for the family.

“ I am so sorry to hear of this. I worked with Jeanette at the Bone & Joint Clinic. I used to go to their area and hang out for as long as I could, listening to her stories. She was a pistol for sure. I can only wish to have as much energy and fun as she did in her lifetime. My thoughts are with your family.

I know Jeanette when she worked at Bone and Joint. She was a wonderful nurse always caring and be adovcate for her patients.

Nick and I know her from Western Squares and enjoyed square dancing with her. She will be sadly missed by many.

We always remember her as being awesome nurse and square dancer.

“ I will always remember playing cards with Miss Jeanette at work in the afternoons when waiting for the traffic to ease up on Hennessy so we could leave. Every time she would pass me in the hall she would pretend like she was dealing cards with her hands. Those were good times. I loved her no nonsense personality. She was a good hardworking lady who stayed active all the time. I was blessed to be able to call her friend. I sure hope there is square dancing in heaven.
