“ Candy and Angie

Your mother JoAnn was a real friend to me. We worked in the Cardiology Clinic at Lallie Kemp many years ago. She was the best part of my day. She kept me laughing all the time. She was so sweet and kind and would do anything she could to help anyone. We will truly be missed by many but especially by me. It was an honor to call her my friend. May God keep you strong and know that she really loved you and her grandchildren. She spoke of you all often.
