“ Johnny always had a smile on his face. He wouldn't wait for me to get to him to say hey...he would always meet me in the parking lot. He will always be remembered

“ I will always remember Johnny's laugh and how much he loved to talk to people. He went with us on a missions trip to Mexico years ago and he had us laughing the whole time. He always wanted ti let everyone know just how much he loved them. My thoughts and prayers are with his family and friends and everyone at Life Church who looked at him as part of their family. I'm so glad I got to see him again just weeks before his passing and got to catch up on the many years we had gone without seeing one another. Rest In Peace Johnny..... till we met again
