“ I have so many I could write about a half of a book but Uncle Wayne took me to the car races first time ever going he asked me to go with him and I really didn't want to go because I was young and didn't think I would like it but I'm glad I did cause we had a great time. He also would take me to car shows and I can go on and on I'm just lost for words right now. He was just a very kind guy he loved everyone. He was one of a kind rest easy Dobber.
