“ Mrs. Judy was a one of a kind lady! I had the privilege of growing up on Fletcher Lane and when they moved down the road I had no clue at that time that I would be forever grateful and honored to have met them all ! Mrs. Judy and Mr. Larry's door was never locked and all of the Fletcher Lane gang among MANY MANY others was ALWAYS welcome! As the days and years went by Mrs. Judy stepped in as she always did and helped my grandmother with me. I had chores at my house and chores at Mrs. Judy's. She taught me so many things that I will never forget! I will forever be honored and blessed to have known her. This tradition of the open door has carried on not only through my time but through the generation of my children and many others!

*Rest now Mrs. Judy you so deserve it!*

*With much Love*
