“ I can't imagine my life had I not ever met Julie. She is absolutely the best most determined and amazing person I have ever known. She truly was an answer to a prayer in my life. I have cherished every moment the lord blessed me with Julie. I am thankful for each and every second with all the ups and downs life brings. I would not trade them for anything in the world. She truly is my soul mate and I am going to continue being in love and awe of her forever. I will love you forever Julie, Thank you for loving me.
