“ *It is hard for me to pick just one memory of papa. He was such a huge part of our lives. I don't remember a time in my life when he wasn't a part of it. We went for coffee every morning. Sometimes we would just drive. He was someone I could talk to about anything. I miss seeing him on the front porch watching the kids play. I miss his stories about the railroad. He is deeply loved and deeply missed.*

*Hi, I am Karl's granddaughter. He left Alabama about 15 yrs ago to be closer to family. I am so glad to have had this time with him. He spoke of you. I wish we could have made arrangements to visit before his passing. I am sure he would have loved to see you. Thank you, and my condolences to you as well.*
