“ *Heaven has gained another angel.. Ms.Kathleen took care of my mother-in-law for 2 years & grew to be a part of our family.. it was this time of the year, time of fresh tomatoes.. we had a date with Ms Kathleen every Friday night (that was the time my husband & I would have a date night to Wal - Mart) my mother-in-law could hardly wait for their tomato & fried egg sandwiches.. She would often join us on holidays such as today for a meal & she never left without a few leftovers for herself & her son.. a beautiful lady inside and out..RIP Ms Kathleen, you certainly have earned your angel wings..*
