“ *Kim was my best friend! She would always have a smile on her face and always yelled...."I love you coon" from across the street. There was many times we just sat on the back porch and talk bout anything and everything under the sun. I will miss her laugh the most. It's hard to walk outside and not see her sitting there waiting on me. She was one of a kind! Her stamp on my heart will last forever! Not a day goes by that i don't think about everything we did together. I miss her so much! Best coons forever!*
