“ It is so sad to have a loved one pass at such an early age. Larry was like a "son". Yes he did like to fish. He was a very good natured man. He would do without to give to someone else. He may have left his earthly home but he sure wouldn't places now for nothing. Praise The Lord NO more decisions to make. God has this now. Go rest high on that mountain for your work on earth is done. Rest precious one forever. I loved you and will miss you. Because He Lives, Ms. Annie
