“ *I'll never forget not regret all the times we've shared. Our struggles that brought us to tears, our blessings that brought us happiness. My only regret is that I didn't tell you I loved you a million times a day. If I could just go back and do things differently I would remind you how strong, beautiful and compassionate you truly were. I will never let your grandbabies forget how much you loved them. And I will never stop grieving the loss of you. Kiss nanny and pawpaw for me. I'll see you soon Mama. ♡*
