“ Oh, I will never ever forget those days as a teenager with Miss Peggy Sue. Drinking Ice Tea on a hot afternoon and chatting at the kitchen table. Those days at the swimming pool where Mrs. Boone, Miss Peggy and Mrs. Belaire would watch us for teen nights and just any night we teenagers wanted to go swim. Those days when we would miss the bus and she would give us a ride to school. I so love/loved her!! I also remember those days after John's accident where we would sit and talk and try to help John walk. So many wonderful memories and some not so good (the hard times we had after John's accident). She formed a lot of our teenage years, and helped us with life's difficult times. She gave from her heart to all of us. I will never forget your laugh! You raised four amazing boys who turned out to be amazing men. I will never ever forget you Lady, you were there for me when I needed you. God Blessed a lot of us with your love!! You definitely earned your Angel Wings. Thank you and keep watching over us as we continue on in this world. I know I will see you when it is my turn to arrive up there.

*With all my Love,

“ My favorite memory of Miss. Peggy was after a BBQ at John's house in Coldsprings, Uncle James and Miss Peggy told old story's of there childhood.

My only member of her story's was her boy's stayed in line because they knew she had a baseball bat and they had to sleep some time. LOLs.

I mostly remember how happy she was that night with John and Uncle James..

She was a strong spirited Lady and I am grateful for my time I spent with her.

Love you Miss Peggy.
