“ Robert traveled to Florida with my Aunt Bonnie to attend my daughters wedding in December. It was the only time we met, but I was so thankful he was able to make the trip over. God Bless

“ I'm so sad to hear of Robert's death. He was a special friend in high school and lived down the street from us. I tried to visit him at a store I heard he owned in Baton Rouge but they said he had just sold it. He's been in my daily prayers since I heard he had kidney failure. I'll be praying now for his family. May God bless you all with His precious peace and comfort in your loss.
