“ Aunt Roux Silee, as I called her, was one of my mom's closest friends. She was always kind, down-to-earth, and glad to see me. You always felt safe to confide in her. That twinkle, in her eye, let you know she cared even when she feigned being nonchalant. Her passing caught me unawares. I hope I can someday be atleast half the great person she is.

“ I am going to miss Roux soo much. We seemed to find one another nearly every Wed - Sun. She always had an encouraging word for me. I know she was having a hard time lately but she would always smile. She will be one I will look for when it is my turn & we will hug again. I am sure she will be having some awesome conversations with her LORD.
