“ Steve, what can I say!!! I will miss you everyday until we meet again! I will always remember you as a gentle and generous giant! I will treasure just knowing that I was able to spend my birthday with you! You were always there to help anyone in need! I have so many memories of you as a kid. I know you are in heaven with Daddy, which I know that makes you very happy. I will always miss your early (3:00am) phone calls, and your 7:00pm calls. You were a man of few words, but we did speak sometimes 3-4 calls everyday! I will treasure your visits and your memory. I LOVE you!
