“ I was in several classes with Ted in high school. He was always getting into mischief with one particular teacher (Mr. William Grout) and had the best personality a person could want. He turned out to be one of the good ones and will be missed. Cary and Chad I'm so sorry for your loss and pray that God gives you the strength needed to handle this difficult time.

“ The one thing I remember the most about Ted is he was always laughing about something. I could never figure out if he was laughing cuz he did something and didn't get caught or if it was something someone else was doing. I would start laughing cuz it was contagious. Rest In Peace Ted ❤️
