“ Toni, Toni  
once lost  
now found  
in God's loving arms  
Heaven bound

living on earth  
you fought the good fight  
now we can see  
the love of your light

struggles each day  
each month, thru the years  
now to receive, Heaven's peace  
now, no more tears

questioning lifes's purpose  
we all long to see  
your purpose renewed  
you are with Thee

+

We will always remember your great  
big smile!

Love,  
Aunt Mary & Uncle Wayne
