

Tracy Lyn Collins Stafford

September 21, 1970 - September 8, 2025

With deep love and gratitude, we celebrate the beautiful life of Tracy Lyn Collins Stafford, who passed away on September 8, 2025, at the age of 54. Born on September 21, 1970, in Baton Rouge, she lived a life marked by compassion, kindness, faith, and excellence in nursing. Tracy brought warmth and light into every room. She will be remembered for her bright smile, infectious laughter, and empathetic heart. Tracy is survived by her beloved daughters, Irelyn and Savannah Stafford; her parents, Sam and Barbara Collins; her twin sister, Stacy Chaffee; her sister, Klacy Howze, and husband, Dennis Howze; her brother, Shane Collins; and her nephews, Ethan Howze McDonald and Giovanni Chaffee, who will continue to carry her love and spirit forward. She was preceded in death by her maternal grandparents, Alvin and Gladys Kinchen; her paternal grandparents, Alex and Carrie Collins; and her former husband, Lynwood Stafford Jr. A proud Registered Nurse, Tracy earned her Bachelor of Science in Nursing in 1995. Her healing hands and caring spirit touched countless lives throughout her career, as she poured her time and energy into helping patients and their families feel comforted, supported, and seen. Guided by her faith, she had a gift for making everyone she encountered feel valued and cared for. Her legacy of compassion will forever live on in the lives she touched. Her extraordinary service was recognized many times, including being a two-time recipient of the prestigious DAISY Award for Extraordinary Nurses, being named among Louisiana's Top 100 Nurses, and receiving the honor of Nurse of the Year. These awards

reflected not only her professional excellence but also the countless quiet, unseen moments when she went above and beyond for those in her care. All are welcome to attend Tracy's visitation at Christ's Community Church in Denham Springs on Saturday, September 20, 2025, from 10:00 AM until the funeral service begins at 1:00 PM. Burial will follow in Hiram Stafford Cemetery. Services will be conducted by Pastor Ted David Kinchen. Serving as pallbearers will be Shane Collins, Dennis Howze, Giovanni Chaffee, Ethan Howze McDonald, Jacob Arledge, and Greg Aydell, who are honored to carry her to her final resting place. Colleagues, patients, friends, and all whose lives she touched are invited to gather in remembrance of a truly extraordinary woman. Though our hearts ache with her absence, we find comfort in knowing that Tracy's life was a blessing to all who knew her. She had a beautiful heart and an electric personality. Her light, dedication, and love will never be forgotten. Arrangements have been entrusted to McLin Funeral Home. Online condolences may be shared at www.mclinfuneralhome.com

“ Thoughts and Prayers are with you all during this heartbreaking time. I'll always remember Tracy's infectious laugh, it was like no other. Loved when she would be helping her twin Stacy with her business lives. These 2 together was a promise of lots of laughter. God Bless You All! Special Prayers for the grieving parents of this Beautiful Soul.

“ My lil group of best friends in Walker High School included Stacy and Tracy. I was the only one in the school to tell them apart. Many times I watched the girls switch classes. The teachers and students had no idea! Lol. I remember being jealous, wishing I had a twin to go to ALL of my math classes!
My dad was in the hospital when they just started nursing, he refused to use a bed pan or anything that required him to show any skin, because he said "they were my friends". Lol
Tracy called me years later asking about my problems trying to have children. She was having some issues also. I say this, because I know she viewed her children as God's miracles, like I did my son. Tracy and Stacy are the embodiment of kindness and love. My heart goes out to you Stacy. I know Your pain is deeper than most. Time may have separated us, but I love you both, like it was yesterday! I am here for you, just message me sweetheart.

Tracy, you will always be remembered for your beautiful smile and beautiful heart. Your patients adored you and you loved them. Nursing was your true passion and calling. I miss us from way back, when the girls were little, when you took the role of Kennedy's Godmother, and we would always come over to your house and let them play. Your sweet voice and laughter, calling me Tray, and seeing you at work and priceless memories. Rest in Peace sweet girl and watch over your Twin Stacy, as she will need you on her shoulder all the time, she is literally your other half. God Bless you and her and family.

“ Well I remember the times that I have been in classes with both Tracy and Stacy, but she never said anything bad about anyone while I was around; and she was always so polite and friendly. She kept a smile on her face even when things didn't go accordingly to plan. But she will be missed, I will pray for her family to make it through this tough loss. Prayers going up.
